Every organization will lose key or high performing staff at all levels for all kind of reasons:family,promotion,external calls, resignations and even sudden death. Succession management recently very fashionable is about making provisions for the replacement of such staff in an intentional manner by a concerned management. Key to effective succession management is thinking ahead... a fundamental management principle and practice.

CORAT Africa has a track record of dealing with succession from it's early beginning.

Course content

- An overview of succession Management.
- Case study experience from CEO's,Board members ect.
 - Learning from Practice.
 - Facilitating in our Organizations.

This is a highly interactive course that will integrate case studies, roles plays and discussions, facilitated by very renowned, seasoned expert leaders.

Cost

The course duration is two days. The cost is Ksh. 33,500 +16% VAT per participant. This includes accommodation, meals and training materials. The fee should be paid to *CORAT Africa not later than 24th August 2010.*

For registration and further information, Please contact **Executive Director, Learning & Capacity Development** on 0724569660 (CORAT).
